Complete event-by-event results can be seen on the next page. A score of “22” indicates that a team received “participation points” in that event, and a score of “23” indicates a no-show, meaning that the team opted not to compete in that event.

For all schools with multiple teams, the “primary” team (i.e. the “A” team, and the team for which results counted towards the overall team scores) is listed first and has the lowest team number of all teams from that school.
