

**Forestry Practice Test – Based on 2004 National List and Rules**  
**Answer Sheet**

Use the corresponding PowerPoint slideshow for the questions. If you do not have PowerPoint, use the question sheet document. It is recommended that you use the PowerPoint because the timing is automatic.

Record your answers on this sheet. You may check your answers with the answer key once you are finished.

Please read the notes in the beginning of the PowerPoint or question sheet.
